We Need Volunteers

Library programs are planned and run by a limited number of our staff. In order to provide more programs, or to continue current programs, we need help from volunteers.

Volunteers are members of the community that donate their free time to assist the library.

To become a volunteer: come to the library and ask the circulation desk for our volunteer forms. Make sure that you complete the sections regarding the activities and events that you would like to volunteer for. If you have an idea for a program that you would like to run, please list that as well. After you fill them out, bring them back to the desk. Then check in with us or wait for us to contact you. It's that simple!

Storytimes:

Monday: Wiggles 'N Giggles is in the **Main Floor Conference Room at 10:00 a.m.** Miss Roxanne leads the children in song and dance. She reads a story and provides a craft for the kids. This storytime is geared toward young children (0 to 18 months) who are learning fine motor skills. Older siblings and children always welcome. Caregivers must accompany their children. See the storytime rules below.

Tuesday: Little Stars Storytime is in the **Main Floor Conference Room at 10:00 a.m. and 11:00 a.m.** Both hours will contain the same content (the same craft and stories). Miss Roxanne will read stories, share songs, and provide a craft for preschool age children. All children are welcome to attend. Caregivers must accompany their children. See the storytime rules below.

Wednesday: Reading AdventureS is in the **Children's Area at 10:00 a.m. and 11:00 a.m.** All ages are invited to attend, especially preschool age children. Miss Katie reads several stories, sings songs, and provides a fun craft for the kids. Caregivers must accompany their children. See the storytime rules below.

Thursday: ABC Academy is in the **Children's Area at 11:00 a.m.** In this storytime, Miss Katie will be focusing on helping children learn their ABC's. The stories and songs will be fun and interactive, with hands-on activities. All ages are welcome to attend, especially those 0 to 3 years. This storytime does not continue into the summer. Caregivers must accompany their children. See the storytime rules below.

Storytime Rules:

All children must be accompanied by a caregiver. The caregiver must remain with the child throughout the entire storytime. Caregivers with children who cry or scream during the storytime are allowed to step away so that the librarian may continue the storytime.

Please turn off the volume on all devices throughout the storytime.

Please show respect to the librarian while they are talking and reading. Suggestions for showing her respect are: sitting quietly (unless invited to sing, dance, and speak), leaving the lego table covered throughout the storytime, participating in the craft only during the craft time, and talking to your children beforehand about how to behave while at storytime.

Please clean up after your children or help them to clean up after themselves.

Find a fun book to check out, make a new friend, or just enjoy your visit!
