We Need Volunteers

Library programs are planned and run by a limited number of our staff. In order to provide more programs, or to continue current programs, we need help from volunteers.

Volunteers are members of the community that donate their free time to assist the library.

To become a volunteer: come to the library and ask the circulation desk for our volunteer forms. Make sure that you complete the sections regarding the activities and events that you would like to volunteer for. If you have an idea for a program that you would like to run, please list that as well. After you fill them out, bring them back to the desk. Then check in with us or wait for us to contact you. It's that simple!

Please turn off the volume on all devices throughout the storytime.

Please show respect to the librarian while they are talking and reading. Suggestions for showing her respect are: sitting quietly (unless invited to sing, dance, and speak), leaving the lego table covered throughout the storytime, participating in the craft only during the craft time, and talking to your children beforehand about how to behave while at storytime.

Please clean up after your children or help them to clean up after themselves.
